TOURNAMENT RULES AND POLICIES

Team Check-In Requirements – The check-in procedure can be found [here](#).

Seeding & Bracketing – The Bracketing Committee will seed teams based on the results information provided on the team's online tournament application and information found on club/league websites or GotSport to determine team strength. The Committee will take care to avoid, when possible, having teams who normally play each other in league play being paired to play each other in the tournament. If a team withdraws after bracketing is complete, there will be no reseeding of brackets and games will be shown as forfeits. The tournament committee has the right to combine age groups U7 & U8, U9 & U10, U11 & U12, U13 & U14, U15 & U16, U17 & U18 & U19 or to play each age bracket as pure age. Coed teams will automatically be placed in the boy's division.

- **U6-U10** – Tournament Committee will try to keep all registered Academy and Recreational teams in separate brackets but reserve the right to combine Academy and Recreational in order to form a bracket.
- **U11-U19** – Recreational and Competitive teams will be put in separate brackets, unless discussed with all teams involved.
- **Once a division is scheduled, there will be no bracket changes.**

Game Schedules – Each team will be scheduled to play a minimum of three (3) games. Teams from outside the Tulsa metro area will not likely be scheduled games on Thursday or Friday evening. Scheduler will attempt to avoid conflicting games for coaches who identify that they are coaching multiple teams (via Gotsport notify/chat in the team account. ([Here's how](#).) Schedules are published as early as possible to allow coaches time to review for conflicts, **but due to the complexity of scheduling, there is no guarantee that all conflicts can be resolved.** Coaches are encouraged to have a registered assistant coach present at the tournament and included on the team's Official Roster. Specific scheduling requests may be submitted but are not guaranteed to be honored.

Schedule Requests – All schedule requests must be made via Gotsport notify/chat in the team account. ([Here's how](#)) before the scheduling request deadline sent via email to be considered. Schedule request will not be accepted via email. The tournament committee cannot and will not guarantee that scheduling requests will be honored. The Tournament Scheduler will try to accommodate as many requests as possible, but due to the number of teams and requests that come in, there is no way to guarantee all requests will be honored.

Refunds/Cause for Dismissal/Application Acceptance – Any refund of registration fees is at the discretion of the Tournament Director. Bracketing, seeding, or schedules shall not be a basis for a refund request. No refund shall be provided to a team removed from the tournament due to disciplinary reasons or for providing false or misleading information at registration/check-in. Once a team is accepted the payment form will be charged for the registration fee. Failure to provide correct or adequate payment information will result in the application being dismissed or acceptance being delayed until the issue is corrected. In the event the tournament reaches capacity for an age group any applications with unresolved issues will be declined.

FLIGHT STRUCTURE, SCORING AND TIE BREAKERS

- **3 Team Flight** – Each team plays 2 games in group play. The team with the most points after group play advances directly to the final. The remaining two teams play a group play match with the winner advancing to the final. If the teams are tied at the end of regulation, the tie break system will be used to determine which team will advance to the final.
- **4 Team Flight** – Each team plays 3 games in group play. The top two teams in points after group play advance to the final.
- **5 Team Flight** – Each team plays 4 games in group play, with the champion and runner-up determined by points after group play. No final match.
- **6 Team Flight** – Teams are divided into two brackets of 3 teams each. Each team will play 2 games in group play within their bracket. After group play, the third-place teams from each bracket play each other in a consolation game. The 1st place team from bracket A plays the 2nd place team from bracket B and the 2nd place team from bracket A plays the 1st place team from bracket B in two semi-final matches. The winners of each semi-final match play each other in the final.

Scoring – Scoring used to determine team standings at the end of group play will be based on a three (3) point system:

- Win = 3 points
- Tie = 1 point
- Loss = 0 Points
- Note: U6 games are “festival style” and scores will not be recorded.

Tie Breakers – The following tie breakers will be employed for the tournament:

- **Group Play** – If at the end of group play, if two or more teams are tied, the group (or wild card) winner will be determined using the following order of tie breakers listed below. In the event there are more than 2 teams tied after the first team is advanced the two or more remaining teams will begin the tie breaker from the beginning of the process until a team to advance is determined:
 - Winner of head-to-head competition
 - Goals For. Total of goals scored for duration of tournament (up to 3 per game)
 - Goals Against. Total of goals scored against your team for the duration of the tournament (up to 3 per game)
 - Goal Differential. Highest goal difference; sum of goals scored minus sum of goals allowed (a maximum of 5 goals per match in each category)
 - Kicks from the mark in accordance with FIFA Laws of the Game (*Revised September 2022*)
- **Semi-Final/Final** – If a tie exists at the end of regulation playing time in a semi-final or final match, an overtime period consisting of two (2) five-minute halves will be played. There will be no Golden Goal during the 2 five minute overtime periods (*revised March 2022*). If, at the end of the overtime period, the score remains tied; kicks from the mark will be taken in accordance with FIFA Laws of the Game to decide the winner.

Inclement Weather and Playing Conditions - Teams will be expected to play regardless of weather conditions. The Tournament Director will determine if playing conditions warrant the postponement or cancellation of any scheduled games. The Tournament Director has the authority to modify any and all tournament rules in order to safely and fairly end the tournament successfully. Referees shall retain the right to decide if safe playing conditions exist. For more information, see the Weather Contingency Plan on page 5.

Game Delay or Field Change Notifications - It is the responsibility of each team's coach or manager to check with the Tournament Headquarters or the BASC website for game delay, or revised game time information. www.basoccer.club or www.basoccer.club/tournaments/. It is advised to check your schedule before each game in case of field changes. Field changes can be found on the online tournament schedule.

Indian Springs Soccer Complex Thorguard Lightning Prediction System - ISSC is equipped with Thorguard, a lightning prediction system. The lightning detection system (strobe light and horn) can be found in two places at the complex:

- EAST SIDE OF ISSC: Roof of the city barn directly west of field 3.
- WEST SIDE OF ISSC: Roof of the concession stand building.
- [ISSC COMPLEX MAP](#)

The THORGUARD sensor continuously monitors the atmosphere's electrostatic energy and evaluates the potential for lightning. When the system determines a hazardous condition, the air-horns and strobe light provide necessary alerts.

Play will be suspended and re-started using the following notifications:

- SUSPEND PLAY: 1 long blast of the air horn
- RESUME PLAY: 3 short blasts of the air horn

WEATHER CONTINGENCY PLAN - TOURNAMENTS

LIGHTNING / SEVERE WEATHER PLAN DURING GAME

The safety of our players, parents, volunteers, and fans is the highest importance to BASC. Therefore, in the event of severe weather and/or lightning, the following plan below will be in place.

- **SUSPEND PLAY: 1 long blast of the air horn:**
 - All persons leave the soccer fields immediately and seek shelter in vehicles. DO NOT leave the complex. Play will resume after the threat has passed and the official all clear has been issued.
 - AIR HORN ON EAST SIDE OF ISSC is located on the roof of the city barn directly west of field 3.
 - AIR HORN ON WEST SIDE OF ISSC is located on the roof of the concession stand building.
 - [ISSC COMPLEX MAP](#)
- **RESUME PLAY: 3 short blasts of the air horn:**
 - All persons come back to field to resume play.

INCOMPLETE MATCHES - In the event of an incomplete match due to a long game suspension for ongoing severe weather, lightning delay or if match play is terminated by the Field Referee or the Tournament Director, the following contingency plan will be in place:

- If games are suspended and have made it to or past halftime, the score at stoppage of play will be considered the final score.
- If games are suspended in the first half, the Tournament Director may shorten halves, or do kicks from the mark to get back on schedule depending on the stoppage time and the ability to restart the match.
- If teams are tied at the end of group play due to a suspension, the tied teams will go to kicks from the mark to determine who proceeds to the next round.
- If a match cancellation creates a situation where teams are unable to play an equal number of preliminary matches, tournament points within a respective flight will convert from total points to average points for all matches played.

For example:

- Team A scores 22 points for 3 matches: Average Points = 7.33
 - Team B scores 30 points for 4 matches: Average Points = 7.50
 - Average Points will be rounded to the nearest hundredth (0.00)
 - The team with the highest average points will be declared the winner of the division.
 - The same system will also be used to determine wild card teams where necessary.
- In the event the tournament is cancelled, either in whole or part, the Broken Arrow Soccer Club is not responsible for any expenses incurred by any team. However, a portion of the entry fee may be refunded at the Tournament Director's discretion, after any outstanding tournament expenses are deducted.

Forfeits – If a scheduled team does not report for play within ten (10) minutes of the scheduled starting time, the match may be declared a forfeit. All forfeits will be scored at the conclusion of the qualifying rounds as follows:

- The team that “wins by forfeit” will be deemed to have scored the average number of goals it actually scored in its other matches (up to a maximum of three (3) goals per match) and not to be less than one (1) point.
- Goals deemed scored will be rounded to the nearest whole number. Decimals of .50 or greater will be rounded upward.
- For the purpose of awarding points, the team that “wins by forfeit” will receive 3 points for the win and the goal points for the goals deemed scored.

Awards – Team trophies and player medals will be awarded as follows:

- All U6 players will receive participation medals after their final game. Teams can use the Awards Area for their presentation if not in use.
- Players on the 1st and 2nd place teams in each flight will receive medals.
- The 1st place team will receive the championship trophy/plaque.
- Team trophies and player medals should be picked up in the East HQ or West HQ. The location of the team's final game played will determine which HQ to pick up the trophies and/or medals.

Uniforms and Player Equipment – All members of the same team must wear jerseys of the same color, except for the goalkeeper who will wear a different color to distinguish them from both teams and the referees. Team shorts should all match and be of the same color. Team socks and any applied tape or covering must also match and be of the same color.

- Each player on a team (with the exclusion of U6 players) must have a unique number on their jersey that matches the number shown on their official roster as approved during check-in.
- In the event that both teams show up wearing the same or similar color jersey, it is the responsibility of the team in the wrong color, be it home or away, to change to an alternate color jersey. Home team should wear white or light uniform and away team should wear black or dark uniform. (*revised 3/23*)
- All players are required to wear shin guards with socks completely covering the shin guards.
- No player shall wear anything that is dangerous to themselves or other players, including but not limited to rings, earrings, watches, necklaces, etc.
- Protective head gear, casts, and splints may be allowed if adequately padded and wrapped to prevent injury to another player and must be approved by the center referee. Players wearing medical devices are encouraged to check in with the referee staff prior to game time to allow adequate time for alterations.
- Please refer to FIFA Law IV for questions concerning player equipment. The center referee will have final authority as to what is allowed on the playing field.

(U12 Competitive teams may head, if agreed upon by both coaches and center referee before the game starts.) Recreational teams playing in a competitive bracket shall adhere to competitive standards of play. If a player deliberately heads the ball, an indirect free kick will be awarded to the other team at the site of the penalty.

Where required, red card suspensions not fulfilled during the tournament will carry over to league play.

Protests and Appeals – No protests or appeals will be heard unless the rules of the match have been misapplied by the Field Referee and have materially affected the outcome of the game. The protest must be made in writing within 1 hour of the conclusion of the match and be accompanied by a \$50.00 bond. The Tournament Director, a Referee Staff, and one Tournament staff member will determine whether or not such action materially affected the outcome of the match. The decision of the Tournament Director is final and an appeal of the decision will not be allowed. No judgment calls made by the referee may be protested.

Team Discipline

The Tournament Committee will uphold all suspensions of players and/or coaches, as appropriate.

An ejected (red-carded) player or coach who is "Sent Off" is ineligible for their team's next scheduled match. This includes semi-final and final matches.

Any player ejected (red-carded) due to violent conduct will be sent off immediately from game and prohibited from playing the remainder of the tournament.

Any player who receives an accumulation of three (3) yellow cards during the tournament will be treated as having received a red card.

The team's coach is responsible for the actions of his or her team staff, players, and spectators. Verbal abuse of referees, players, and/or spectators will not be tolerated, and a team's head coach may be disciplined for such. Such actions may also result in termination and forfeiture of the match and/or expulsion from the tournament.

Any coach who has been ejected from the match must remove him or herself out of "sight and sound" from the playing field within two (2) minutes of ejection or risk match forfeiture. Communication from an ejected coach to the team or team staff is not permitted and may result in the match being a forfeit.

Any coach, or trainer, who withdraws his or her team from the field during a match, will receive a red card and his or her team will forfeit the match.

Field Referees will note all prior ejections of players, coaches, or trainers as furnished by the Tournament Director before the match time and ensure that any such ineligible player or coach does not participate in the match. Field Referees will also notify the Referee Assignor of any yellow or red cards in the match just completed by clearly noting it on the match form turned in at the Referee Headquarters.

The Tournament Director will make note of the card(s) issued and the offenses in order that a written report may be made to the player's or coach's respective club, league, or association for further action, if needed.

Tournament Director
