Pennies or targets may be worn over jerseys in the event of a color conflict, subject to the approval of the Referee.

Non-uniform clothing is allowed based on weather conditions, but uniforms must still distinguish teams. Undershirts exposed from beneath jerseys should be the same or similar color as the jersey.

Any sponsor's names, logos or other wording/graphics must be approved in advance by the BASC Board.

Socks must cover shin guards and color must be consistent for the team. Any tape applied must be consistent with the sock color.

FIFA/USYS/OSA Laws and Policies as amended by BASC (February 2025)

Sideline Behavior: Coaches and spectators should keep all comments positive and supportive of the players. Spectators should refrain from providing playing instructions to the players which should only be done by the coaching staff. No referee abuse will be tolerated. Coaches may be cautioned or sent off by the referee for behavior in violation of the BASC Code of Conduct by the team's staff, players or their respective spectator sidelines.

Grounds Clean-Up: Each team shall clean up their respective areas before leaving.

Match Officials: All matches are to be officiated by a center referee.

Coaching: All persons coaching BASC players must be registered with the club and have an approved background check. Only registered/approved coaches, assistant coaches, trainers and managers may coach games or participate with players during team activities practice. Coaches are only permitted on the field with the referee's permission at a stoppage of play.

Medical Devices: All medical devices (casts, supports, braces, etc.) are subject to the approval of the referee with respect to player safety. Players with medical devices should have them padded in advance of the game and check in with the referee or at the HQ building prior to the match for approval.

Sweeper-Keepers: In our 4v4 leagues, coaches are strongly encouraged to have defensive players remain in the same 2/3 of the field as the ball. All players need to be encouraged to be involved in active play and not simply positioned in front of the goal to prevent scoring. This is not healthy for player development and is not consistent with the spirit of small-sided soccer, which is intended to have all players around the action and involved in the game. This does not mean that you cannot have a player focused on defense; however, coach the player who is in the defensive role to be in the same 2/3 of the field as the ball in play. For example, if the ball is on the opposing team's half of the field, the defender should be closer to the midline than to their own goal.

We are asking you, the coach, to ensure that players are positioned properly on the field. If you see coaches not following this guideline, please do not escalate the issue. Coaches who are reported as not following this guideline will be counseled and observed by BASC staff. Failure to follow guidelines may result in further disciplinary action.

FIFA/USYS/OSA Laws and Policies as amended by BASC (February 2025)

Referees may remind coaches of this guideline, but no penalty or sanction shall be enforced by the referee. Referees will not manage this guideline during league games.

Let's work together to improve the quality of our games and ensure the development of all players.

Slide Tackles: Slide tackles shall not be permitted. Any player engaging in slide tackles should be counseled to not repeat. Repeated infractions may result in the player being cautioned and/or issued a red card.

Mercy Rule: There will be a 10-goal mercy rule if the losing coach requests it. The Mercy Rule cannot be applied until the first half has ended. The losing coach must notify the referee at half time if invoking mercy rule.

Post-Game Sportsmanship: All players and coaches should congratulate each other for a game well-played with handshakes/high fives along the halfway line. Parents are encouraged to form tunnels and cheer for players as they return to the sidelines.

Game Cards: Each team should bring one printed game card to each game.

Scores/Standings: All scores are to be recorded on both game cards by the referee and verified by each coach at the conclusion of the match (if a result or score is to be protested, the coach should note such on the game cards and must file a protest in writing to BASC within 72 hours). Each coach will leave with a completed game card signed by the competing coach.

After each game, the winning coach must either scan the QR code or go to the GotSport website to enter the final score. This information can be found at the top of the game card. Coaches must maintain the game cards, in their possession, until 30 days after the season is over. Coaches must provide, to BASC, any game card requested. Scores/standings are not published but are used to assist in seeding teams for the following season.

Playing Time/Substitutions/Rotations: All recreational players are required to play at least 50% of each game for which they are present and physically able to play. Games/coaches will be periodically reviewed for compliance by the club. Coaches found to not be in compliance with this rule are subject to disciplinary review. Organized rotations are very important, and coaches should maintain documentation of rotations for each game.
