| Event | Date | Time | ISSC | Opposing Team | My Team | Division | Status |
|---------------------------|----------------|-----------|-----------|---|---|-----------|---------|
| Spring 2021 Closed League | Sat 03/06/2021 | 09:45 CST | ISSC - 21 |  Dragons - Clopton |  Virus - McGinnis | U8 Boys A | 0 + ... |
| Spring 2021 Closed League | Sat 03/20/2021 | 11:00 CDT | ISSC - 19 |  Virus - McGinnis |  STARS - Edmondson | U8 Boys A | 0 + ... |

Choose the team and then in the "event" choose which LEAGUE you are playing in this season. If you are playing in the spring closed league or the OSA open league, choose the correct LEAGUE.

DO NOT choose the OSA registration event. This is not a league, it is where we register our players with OSA.

STEP 3. Find the game, click the “Three Dots” and select “Print match card”.

The screenshot shows the GotSport web application interface. The top navigation bar includes links for Dashboard, Account, Reporting, Team Management (highlighted), Team Scheduling, Program Registrations, and Forms. The main content area is divided into a sidebar with 'Teams', 'Registrations', and 'Matches' (highlighted), and a main panel. The main panel has search filters for 'My Teams' (Virus - McGinnis - Male U8) and 'Event' (Spring 2021 Closed League), with a 'Search' button. Below the filters is a 'Matches' table with columns: Event, Date, Time, Venue, Home Team, Away Team, Division, and Status. The first match is highlighted with a red box around the 'Print Match Card' option in its dropdown menu. A red arrow points to this option.

STEP 4. Select export to print your match or game card.

The screenshot shows the GotSport web application interface with a 'Game Sheet' dialog box open. The dialog box has a title bar with 'Game Sheet' and a close button. Below the title bar, there is a section for 'Game Sheet Type' with two radio buttons: 'Standard' (selected) and 'Photo'. At the bottom of the dialog box is a green 'Export' button.
